

Hello Harborlight Montessori Parents:

Today, September 15th, your child participated in a demonstration of all the available band instruments taught at the school. We offer and encourage each student, grades 4-8, a concert band instrument of his/her choice for the year.

WOODWINDS: flute, clarinet, alto saxophone

BRASS: trumpet, trombone

PERCUSSION: Percussion kit (includes snare drum and bells)

A band rehearsal and group instruction will be during the school day (Wednesdays most likely) and students are grouped according to ability and age. This instruction is at no extra cost to you.

We ask that you discuss with your child about this unique opportunity and about choosing an instrument.

The form below needs to be completed and returned by **Monday, September 18th**. We will begin on **Wednesday, September 20th**. (with or without instruments)

All students who will participate in the instrumental music program (beginning and returning) must complete the form below.

Let me know if you have any questions: jaydaly@comcast.net

This is truly a great opportunity for your child. We hope you take advantage of it.

Please complete, detach and return to the Main Office by **Monday, September 18th**
